Dear Reader,

Hi, this is Amanda Angelini. I want to take a minute to thank you for being a subscriber to the *Independent Healing* newsletter and to share the news of an exciting new benefit for my most dedicated readers.

With your subscription to *Independent Healing*, you've been getting a front row seat to some of the most cutting-edge natural discoveries as they occur.

It's our commitment to bring you and your family the latest research and information from around the world on today's deadliest diseases.

Along with my publisher, I've put together a special invitation to give you the most exclusive benefits and savings you'll ever see.

But right now, I want to share an opportunity for our most valued subscribers...

It's a chance to receive a FREE copy of our privately-published book, ***Forbidden Miracles: Natural Healing Secrets to the World's Deadliest Diseases***. This 504-page health encyclopedia covers every disease and health problem imaginable -- cancer, Alzheimer's, weight loss, heart health, digestion, and more... Researched, compiled, and edited under the supervision of the world renowned doctors who make up **The Institute of Natural Healing**.

You'll *also* receive **10 more FREE GIFTS**, plus an unprecedented invitation to receive this invaluable health information for life.

This opportunity is only available to the first 150 readers of *Independent Healing*.

So what does it entail?

First, you'll receive your free copy of ***Forbidden Miracles: Natural Healing Secrets to the World's Deadliest Diseases***.

You'll also receive continuous service on your monthly issues of *Independent Healing*.

And on top of that -- you will receive two exclusive FREE exposés rarely available to subscribers...

In-Depth Exposé #1: The Fighter Pilot Blood Pressure Solution (a \$19.95 value)

I want to show you exactly how blood pressure can be lowered by 15 points without drugs, exhausting exercise, or a strict diet. All by using a \$10 device, from one's home, in just a few minutes a day.

You'll learn how this simple blood pressure trick was discovered in the cockpit of an F-16 fighter jet. And hear details on three separate studies -- one out of McMasters University -- that show it works.

Doctors are quick to prescribe drugs that have terrible side effects. There's no need to risk it, when there are safe-natural options. This exposé gives you all of the information you need.

For example, you'll discover information on...

- **How to get an accurate blood pressure reading.** An estimated 30% of people diagnosed with high blood pressure actually had normal levels.
- **The three delicious and healthy beverages proven in studies to bring blood pressure down**
- **The shortcomings of the DASH diet and how to modify it for maximum results**
- **And MUCH, MUCH MORE!**

With ***The Fighter Pilot Blood Pressure Solution***, you'll discover how to naturally lower blood pressure without pills, or exercise, or even a change in diet.

This essential report is rarely offered to subscribers -- but today, it could be yours absolutely FREE.

And that's not all...

In-Depth Exposé #2: *The Delta-8 Cancer Revolution: How to sidestep Washington and fight Cancer...Legally* (a \$19.95 value)

Thousands of Americans are reportedly using a BANNED herb called "Delta-8" to miraculously fight their cancer. And now an explosive body of government research shows it could be the missing link to battle cancer ... No matter the type or stage.

You'll learn groundbreaking secrets that courageous researchers are bringing to the public, including:

- **Which hard-to-treat cancers Delta-8 excels in fighting**
- **How this long-forbidden molecule works to stifle cancer**
- **Personal stories of real people who have gone through treatment – including seniors and children**
- **And MUCH more life-changing information**

Few traditional oncologists will tell you this.

Discover the simple, but effective, natural method that could be the answer to eliminating cancer...

These two In-Depth Exposés are not available *anywhere* and in fact, are rarely made available to subscribers of *Independent Healing*.
